*Verse 2:*

Now your pictures that you left behind  
Are just memories of a different life  
Some that made us laugh, some that made us cry  
One that made you have to say goodbye.

What I'd give to run my fingers through your hair  
To touch your lips, to hold you near  
When you say your prayers  
Try to understand, I've made mistakes, I'm just a man.

When he holds you close, when he pulls you near  
When he says the words you've been needing to hear  
I'll wish I was him, 'cause those words are mine  
To say to you till the end of time.
