I see the crystal raindrops fall
and the beauty of it all
is when the sun comes shining through
to make those rainbows in my mind
when I think of you sometime
I wanna spend some time with you

※just the two of us
we can make it if we try
just the two of us
just the two of us
just the two of us

building castles in the sky
just the two of us
you and I
we look for love, no time for tears
wasted water's all that is
and it don't make no flowers grow
good thinks might come to those who wait
but not for those who wait too late
we gotta go for all we know

I hear the crystal raindrops fall

on the window down the hall
and it becomes the morning dew
and darling, when the morning comes
and I see the morning sun
I wanna be the one with you
