This song is a duet for Velma and Roxie in the show, adapted here as a solo.

Now a days.

There's joy ev'ry where, ev'rywhere, ev'ry where, joy is far away. Now there's joy ev'rywhere, Joy ev'ry where. Life is sweet, sweeter is life. Booze ev'ry where, ty - ty where, ty - ty where. Fun is here, where is the fun? Good is good, is this good? Music by John Kander. Words by Fred Ebb.

NOWADAYS
Nowadays, you can like the life you're living. You can live the life you like.
You can even marry Harry, but mess around with Ike. And that's good, isn't it?
